Course Overview

FINAL EXAMINATION

WORKING PAPERS: Buy 2-column and 3-column for classroom and use.

EXPECTATIONS

- Learn the basic body of knowledge related to the bookkeeping accounting field - terminology, methods and trends.
- Develop the ability to apply material in problem solving and decision making.
- Work accurately and neatly, using the mechanical procedures for recording and reporting.
- Be responsible for completing assignments on time--late work will be accepted only if proper arrangements have been made with the instructor prior to the due date.
