AD0101 (A2): Study Skills Tutorial – 5 (0-0-5) 75 Hours for 15 weeks

Northwestern Polytechnic acknowledges that our campuses are located on Treaty 8 territory, the ancestral and present-day home to many diverse First Nations, Metis, and Inuit people. We are grateful to work, live and learn on the traditional territory of Duncan's First Nation, Horse Lake First Nation and Sturgeon Lake Cree Nation, who are the original caretakers of this land.

We acknowledge the history of this land and we are thankful for the opportunity to walk together in friendship, where we will encourage and promote positive change for present and future generations.

James Iverson C407 780-539-2850 JIverson@nwpolytech.ca

Monday 1:00 Ì 1:50PM, Tuesday and Thursday 10:00-11:00 AM or by appointment

This is an individualized program of study skills, planned and supervised study time and tutorial assistance. Components of the course include developing study skills needed for success in NWP courses, managing and prioritizing study time and working on assignments and projects with supervised tutorial assistance for select courses.

Students who meet the admission requirements for entry into NWPN $\frac{1}{2}$ $\frac{1}{2}$

As a result of this course, students will have a better understanding of

Students should be able to:

handed in every Friday.
